

To : United States Bankruptcy Court
Southern District of New York

In re : Lehman Brothers Holdings Inc., et al.,

Chapter 11 Case No.
09 - 13555 (JMP)
(jointly Administered)

Name of Debtor : N.J.L.M. van den Brink (claimant name)

Claim number : 65553 and 64697

Claim basis : owner of € 30.000,-- Lehman Brothers 05/35 - 2744 (adm)
(ISIN number XS0218304458)
and
owner of € 4.000,- Lehman Brothers 05/35 - EMTN (adm)
at an ING Bank account in the Netherlands.

Statement why my claim should not be disallowed, expunged, reduced or reclassified:

Both my claims have been send on October the 22nd, 2009 by **registered mail** to the following address:

Lehman Brothers Holdings Claims Processing
c/o Epiq Bankruptcy Solutions, LLC
FDR Station, P.O. Box 5076
New York, New York 10150-5076

(**included** in this letter the original **date stamped** envelope and **reception proof**)

The date of October the 22nd can be checked, it is clearly readable.
So my original claim has been send at a **correct** time of 12 days before the closing date to Lehman Brothers Holdings Bankruptcy Court.

However the letter was rejected (not accepted) for reasons not known to me, by the Bankruptcy Court.

As the letter was registered by me, the letter was send back to my address in The Netherlands.

Once again, I did send back a letter containing both my claims to the Bankruptcy Court
This time the letter has been accepted, however past the closing date for claims to Lehman Brothers Holdings.

Today, I find myself with both my claims to be rejected because the Closing Date should not have been respected by me.
This is not justified!

I did respect the closing date of **November the 2nd, 2009**, as I did send my both my claims **12 days** before the formal closing date.
I was only aware that my letters were not accepted by the Lehman Brothers Holdings Bankruptcy Court, when these were send back to me.
This happened after the formal closing date.

I ask the Bankruptcy Court Southern District of New York to formally fully recognize my justified claims and put these on the formal list of **Debtors**.
